

Road Closures (February 6, 2012)

Fort Lauderdale Road Closures

Sistrunk Boulevard Traffic Advisory

Traffic Patterns Change on NW 6th Street and NE 3rd Avenue

Motorists will experience a change in traffic patterns on NW 6 Street from Andrews Avenue to NW 9 Avenue and on NE 3 Avenue from NE 5 ST to NE 7 Street. Two lanes of traffic in each direction will be reduced to one lane in each direction with occasional traffic delays.

The following traffic conditions will be in place:

- Two lanes of traffic in each direction will be reduced to one lane in each direction on NE 3 Ave from NE 5 Street to NE 7 Street to conduct drainage work and roadway reconstruction in the area.
- Two lanes of traffic in each direction will be reduced to one lane in each direction on NW 6 Street from Andrews Ave to NW 9 Ave to facilitate roadway improvements.
- Signs will be in place to alert motorists of traffic restrictions in the impact area.
- Electronic arrow boards and barricades will be in place to guide motorists throughout the impact area.
- Motorists are reminded to travel slowly in the work zone to ensure safety of workers, pedestrians, and other motorists.

Traffic pattern changes on NW 6 Street are expected to continue through summer 2012 with pattern changes on NE 3 Avenue resuming normal flow by late fall 2011.

Motorists/residents will continue to have access to businesses within the immediate impact area throughout the construction period.

The Sistrunk Blvd Infrastructure Project Management Team understands the inconvenience of this traffic flow interruption and will do our best to accommodate access for residents, motorists and businesses alike. We thank you for your patience and cooperation during this phase of construction.

For more information about traffic restrictions, please call 954-525-1818 or visit the [Sistrunk Boulevard Infrastructure Project](#) web page.

US 1 from SE 17th Street to Broward Boulevard & Henry E. Kinney Tunnel in Fort Lauderdale:

- Southbound US 1 traffic is shifted to the east at the Tarpon River Bridge, between SE 8 Street and SE 10 Court. During this traffic shift left turns will not be allowed from southbound US 1 onto Ponce de Leon Drive through early March.

>> All boat traffic using the Tarpon River between 9th Avenue and 4th Avenue will be restricted due to bridge maintenance on US1 until spring 2012. Boat traffic will still have access to the Intracoastal Waterway during bridge maintenance and can come within a 100 feet of the bridge.

I-595 EXPRESS CORRIDOR TRAFFIC IMPACT

- Up to two lanes of westbound I-595 between 136th Avenue and the Sawgrass Expressway will be closed from 9 p.m. Sunday, Feb. 5 to 5 a.m. Monday, Feb. 6.
- The ramp from westbound I-595 to southbound I-75 will be closed from 10 p.m. Sunday, Feb. 5 to 5 a.m. Monday, Feb. 6.
- One lane of eastbound SR 84 between 136th Avenue and Flamingo Road will be closed nightly from 9:30 p.m. to 5 a.m. beginning Tuesday, Feb. 7 and ending Friday, Feb. 10.
- The on-ramp from eastbound SR 84 to eastbound I-595 east of 136th Avenue will be closed from 10 p.m. Tuesday, Feb. 7 to 5 a.m. Wednesday, Feb. 8.
- The off-ramp from eastbound I-595 to eastbound SR 84 at exit 1B Flamingo Road will be closed from 10 p.m. Tuesday, Feb. 7 to 5 a.m. Wednesday, Feb. 8.
- One lane of eastbound SR 84 between Flamingo Road and Hiatus Road will be closed from 10:30 a.m. to 4 p.m. on Monday, Feb. 6.
- One lane of eastbound SR 84 at Hiatus Road will be closed from 9:30 p.m. Tuesday, Feb. 7 to 5 a.m. Wednesday, Feb. 8.
- One lane of southbound Hiatus Road at the I-595 overpass will be closed from 9:30 p.m. Tuesday, Feb. 7 to 5 a.m. Wednesday, Feb. 8.
- The designated U-turns for both directions of SR 84 at Hiatus Road will be closed nightly from 10 p.m. to 5 a.m. beginning Monday, Feb. 6 and ending Wednesday, Feb. 8. Motorists will still be able to make the U-turn movements through the signalized intersection.
